NAACP Legal Defense and Educational Fund, Inc. by-laws permit payment of reasonable compensation for services rendered by officers and employees of the corporation. Pursuant to this authority, the Board created a Compensation Committee with the express purpose to review, on behalf of the Board, the compensation of the President & Director-Counsel (CEO). The Compensation Committee retained independent experts to prepare a formal study and recommendation of the reasonableness of the President's compensation. The report was received by the Committee and a determination was made that the study supported the reasonableness of the President's compensation. The Compensation Committee reported the results of the study and its determination to the Board in an executive session held in late 2012 with a quorum present. After discussion and consensus reached, the Board concurred with the recommendation and took informal action to express its favorable opinion of the compensation, without a vote. A copy of the independent study was mailed to all board members.
