On February 27, 2013, the United States Supreme Court will hear oral argument in *Shelby County, Alabama v. Holder*, one of the most important voting rights cases of our generation.

In the case, Shelby County seeks to tear out the heart of the Voting Rights Act, widely regarded as the greatest piece of civil rights legislation ever passed.

Please join the NAACP Legal Defense Fund, Inc. (LDF) for a critical discussion about the future of our most important voting protections.

Saturday, March 2, 2013
